

## EMS Declaration

Status of Environmental Management System (EMS) at

**TDK-Lambda France SAS**  
**3 Avenue du Canada**  
**Parc Technopolis - Bâtiment Sigma**  
**91940 Les Ulis**  
**France**

The Environmental Management System developed, implemented and operated by TDK-LAMBDA FRANCE SAS, is recognised to be in compliance with the Environmental Management System ISO 14001:2015.

The system has been assessed by a TDK-Lambda UK Ltd certified lead auditor and was found to meet the requirements of ISO 14001:2015. TDK-Lambda UK Ltd is registered with BSI as ISO 14001:2015 compliant: EMS Certificate No: 518156.

Having reviewed the findings of the assessment performed, I am satisfied that the Environmental Management System run by TDK-LAMBDA FRANCE SAS, complies with the requirements of the ISO14001:2015 standard.

A blue ink handwritten signature, appearing to be 'Adam Rawicz', written over a horizontal line.
