Thursday, 4th November 2010

## **End of life announcement - See product list below**

The following series of TDK-Lambda power supplies will be discontinued.  
SR, LWD, ZD and PC/PCD Series

For some time these products have been superceded by our newer, more competitively priced ranges.

Our recommended replacements for these products are shown in the table below:

<b>Discontinued model</b>	<b>Replacement model/s</b>
SR Series	HWS
LWD Series	MTW and SWT
ZD Series	MTW and SWT
PC/PCD	CC-E and CC-P-E Series

We realise that some customers who have purchased these models in the past might have the need to purchase additional identical units either as spares or to use where they have been designed-in to OEM equipment. Therefore we are offering a "last time buy" opportunity.

We will accept orders up to and including 30 September 2011. All deliveries will be before 26 December 2011. All orders are non-cancellable and non-returnable.

For further assistance, please contact TDK-Lambda UK Sales department, Tel +44 (0) 1271 856666, Fax: +44 (0) 1271 864894 or your usual field sales contact. Our technical helpdesk is also available on this number or via our web-site at <http://www.uk.tdk-lambda.com/> where you can also find data on all of our current products and our comprehensive product selector web tools.
