End of life announcement - See product list below

The following list of TDK-Lambda noise filters will be discontinued.

For some time these products have been superceded by our newer, more competitively priced ranges. The alternatives are listed alongside the relevant discontinued model.

We realise that some customers who have purchased these models in the past might have the need to purchase additional identical units either as spares or to use where they have been designed-in to OEM equipment. Therefore we are offering a "last time buy" opportunity.

The discontinued models are separated in to 2 groups:

Obsolete model group	Products affected	Final purchase order receiving date	Final shipping date and production close
Group 1	Refer to attached list	30 th April 2012	30 th September 2012
Group 2	Refer to attached list	30 th June 2014	31 st December 2014

All orders are non-cancellable and non-returnable.

For further assistance, please contact TDK-Lambda UK Sales department, Tel +44 (0) 1271 856666, Fax: +44 (0) 1271 864894 or your usual field sales contact. Our technical helpdesk is also available on this number or via our web-site at <http://www.uk.tdk-lambda.com/> where you can also find data on all of our current products and our comprehensive product selector web tools.
